

# BUSINESS REBATE PROGRAM

Every business is different. That's why we've designed the Business Rebate Program to meet the needs of your business. Interested in upgrading refrigeration, lighting or other equipment? NB Power is here to help you identify eligible products so you can start reducing greenhouse gas emissions with energy efficient upgrades.

## EARN 25% BACK FOR YOUR BUSINESS

The Business Rebate Program helps businesses offset the costs of energy efficient products at their facility.

Examples of eligible product types:

- Lighting and lighting controls
- HVAC equipment
- Commercial kitchen equipment
- Refrigeration equipment
- Motors
- Compressed equipment
- Farm equipment

### PURCHASE AND INSTALL ELIGIBLE EQUIPMENT AND GET **25% BACK**, UP TO A MAXIMUM OF **\$250,000\*** PER SITE

GET THE BENEFITS OF A MORE ENERGY EFFICIENT BUILDING:

- Lower energy costs
- Improved comfort
- Improved productivity
- Lower maintenance costs
- Smaller environmental footprint
- Be more competitive and profitable
